Quick Start Guide (EN)

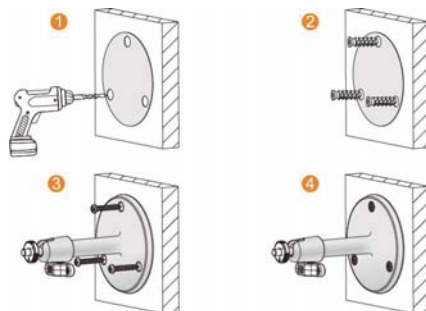

1 Application

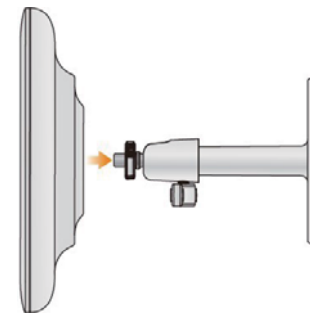

Note:

- The camera needs to be purchased separately.

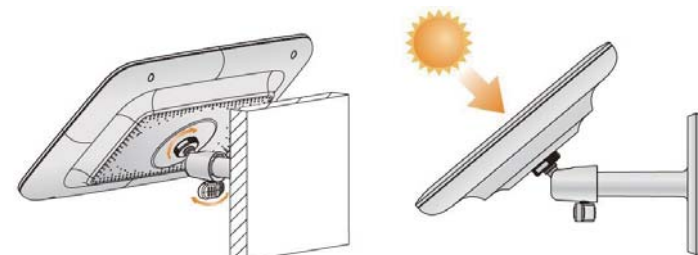

2 Installation

3 Attachment

4 Adjusting Panel Angle

Note:

- Adjust the panel angle to make it face the sun as much as possible. Clean the dust or debris on the panel regular to ensure best performance.

Safety Instructions

- Do not use the solar panel when the battery is not in the camera.
- Do not immerse the solar panel in water.
- Do not use or store the solar panel near heat source or in over-heated environment such as near fire or heater.
- Do not heat the solar panel or throw it into fire.
- Do not puncture, hit, or put heavy load on the solar panel.
- Avoid severe physical shock on the solar panel such as strike or throw.
- Do not disassemble or bend the solar panel in any way.
- Do not contact the solar panel with strong corrosive objects.
